What Can You Do?

- Encourage residents throughout your area to show their support for crime prevention by lighting up their homes. Everyone agrees that properly lighted homes, businesses and streets deter crime, drug activity, etc.
- This year the city-wide event will take place at the Carmel Gazebo.
- Police & Fire Department personnel will be at the Gazebo from 6:00pm until 8:00pm to visit, answer questions and talk about safety.

- Please bring your own tables and chairs. Participants are also encouraged to pitch in and bring your favorite goodies to share with neighbors and friends.
- Multiple vendors will be on location to share safety tips.
